

SWORDFISH FOR FUNDRAISING

A game-changer for managing fundraising

CRM systems and spreadsheets aren't built to effectively support a fundraise. Swordfish¹ is!

Swordfish is a free add-on for GPs with an Orca subscription. Swordfish is easy to set up, and with its simple drag and drop functionality clear actionable insights, helping GPs to prioritize and oversee fundraising.

Key GP benefits

Swordfish is a streamlined and insight-rich tool that helps you manage a fundraise with ease.

Manage Fundraising

Actionable Insights

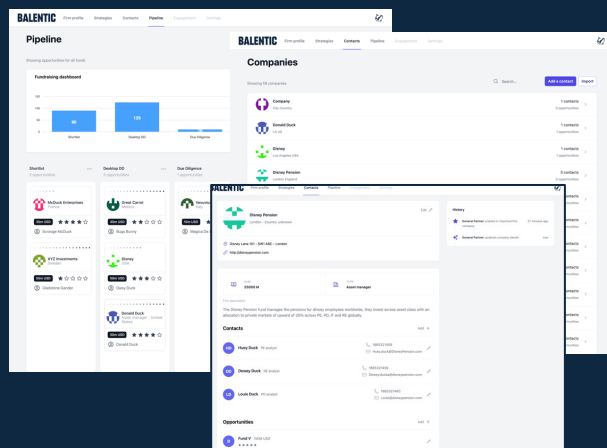

Prioritize Investors

Secure

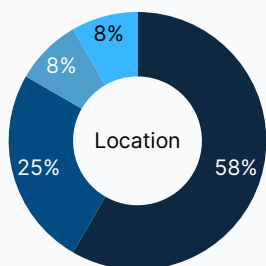

How Swordfish works

1. Upload / create your contacts
2. Set your investment stages
3. Simply 'drag' and 'drop' opportunities as they develop

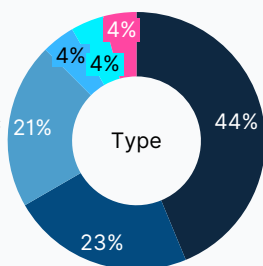

Fast, easy and insightful

GPs further benefit from Orca's growing LP users base with AUM > EUR 1 trn.
